

THE BAMBOO CLUB

A photograph of the exterior of The Bamboo Club at night. The building features a prominent sign that reads "THE BAMBOO CLUB" in a stylized, outlined font. The sign is illuminated from within, casting a warm glow. Below the sign, there is a structure made of vertical bamboo poles and a thatched roof. To the right, there are large, lush green plants, including banana trees. The overall scene is lit with a mix of warm and cool tones, creating a tropical and inviting atmosphere.

ESCAPE TO PARADISE

LOCATED IN THE HISTORIC ZAFARIA DISTRICT OF LONG BEACH, THE BAMBOO CLUB WILL TRANSPORT YOU TO A TROPICAL DESTINATION.

The Bamboo Club opened in March 2019 and has since become a neighborhood staple for friends, family, & visitors exploring Long Beach. Our cocktails honor the history of Tiki culture featuring classics alongside unique hand-crafted cocktail creations from our seasoned staff of bartenders.

The Bamboo Club's interior, designed by the award-winning Bamboo Ben Bassham, reflects the laid-back sensibilities of Tiki culture while providing an atmosphere that welcomes one & all with booth & bar seating & a private patio that offers an escape from the stresses of the modern world.
